➤➤ About this course

As a B2B SaaS Founder or Sales & Marketing leader you know that your business needs a strong and effective strategic approach to business marketing. ABM is now the default choice for the best high-growth B2B companies who sell to larger businesses and this course will show you how to get it right the first time with tried and tested methods.

We will explain how ABM can find your product-market-fit, land huge enterprise deals, predict the future and scale fast. You'll be shown how to find the right approach to aligning your marketing and sales teams to promote long-term business growth, set your people up for success, and support revenue.

ACCOUNT BASED MARKETING: BATTLE TESTED STRATEGIES FOR PREDICTABLE GROWTH

ANDREW DAVIES HEAD OF BRAND, DEMAND AND DIGITAL EPISERVER

BIO

Andrew is the Head of Corporate Marketing at Episerver, an 800-person scale-up that acquired his startup in 2019. In this role he runs Brand, Digital and Demand Generation globally. Previously, he co-founded Idio, served as CMO and built the business to a market leader in B2B personalization, with a very successful ABM approach and market leadership validation from Gartner & Forrester.

He advises, supports & invests in early-stage startups, helping them problem-solve around proposition development, people & teams, and B2B/SaaS marketing, and also sits on the board of the non-profit innovation consultancy Ninety.com.
